## A NEGRO LYNCHED

For Attempting to Outrage Two White Women in St. Mary's Parish, La.

New Orleans, December 3.- A specia dispatch from Franklin reports that a neoro man named Mausland, Saturday evening, attempted to outrage a female member o the family of the sheriff of St. Mary's parish, but was driven off by the timely arrival of assistance. Late Saturday night Mausland broke into the house of a widow lady living near town, and attempted to outrage her, but the screams of the inmates brought the neighbors to the rescue. The negro was pursued and captured on Sunday, and, after being identified by the ladies, was placed in the lock-up. Yesterday morning the lockup was found broken open, and blood stains leading from it to the wharf near by. The theory is that the friends of the ladies, outraged at the brutal conduct of the negro, went in force during the night, took him from the lock-up, cut his throat, and threw the body in Bayou Teche.
